

BINAY CHILUKA

Address: Bhiwandi, Maharashtra, India
Phone: +91 7620287307
Email: chilukabinay@gmail.com

SUMMARY

Final-year AIML student with a strong foundation in web development. Skilled in JavaScript, HTML5, CSS3, React, Node.js, Express, and MongoDB, PostgreSQL. Passionate about building responsive applications and applying AI/ML concepts to solve real-world problems.

PROJECTS

Random Password Generator

- Developed a secure password generator using Javascript with customizable options.
- Implemented randomization logic and input validation.

Weather App

- Built an application to fetch and display real-time weather data using APIs.
- Processed and structured API responses efficiently.

Personal Portfolio Website

- Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase projects and skills with modern UI design and interactive features.

To-Do list

- Designed a task management system with add, edit, search, filter, and delete functionality.
- Focused on clean logic and efficient data handling.

Quote Generator

Created an application to display dynamic quotes using API integration
